

# Set your child up for success

## STICITT WALLET COMPARISON

Normal Wallet

Free

Child Wallet

1 x 🍷/month (R35)

Let your child spend at Tuckshop without cash

Instantly load more funds if they forget their lunch

Monitor how much is spent at Tuckshop

Set daily limits on spending

Give each child their own separate wallet

Let children track their own money and learn to budget

Get notifications when children spend or if funds run out

Teach them to earn money by setting chore lists and rewarding good behaviour

See a summary of how much every child spent this month

Transfer Tuckshop tags between wallets

Disable features on your child's wallet
